

Sanjivani International School, Kharghar

Circular

Date: 16/11/2018

Dear Parents,

As per the school calendar, the reopening date post Diwali is **19th November, 2018**. But due to the remodelling of the school building, we have delayed the reopening date by a week. The school will reopen on **26th November, 2018**. However, the loss of three working days will be compensated by working on three Saturdays which will be duly informed. The weekly test schedule will not be affected. It will be held as mentioned in the almanac.
